**T.J.T., Inc. Reports Results for Q3 Fiscal 2014**

Emmett, Idaho – July 11, 2014 – T.J.T., Inc. (the Company), OTC Markets: AXLE – T.J.T., Inc., a supplier of axles, tires, and set-up materials to the manufactured housing industry announced a net profit of \$35,384, or \$.01 per diluted share, for the third quarter of fiscal year 2014. The quarterly results represent an improvement of \$38,077 over the third quarter of the prior year when the Company reported a net loss of \$2,692. Year over year reductions in SG&A expenses as a percentage of net sales, contributed to the improvement in quarterly financial results.

Net sales in the third quarter increased 61 percent to \$1,528,135 compared to sales of \$949,437 during the third quarter of the prior year. Net sales of axles and tires totaled \$914,022, an increase of 103 percent from \$449,794 in axle and tire sales in the third quarter of the prior year. Net sales of accessories totaled \$613,213 which is a 24 percent increase from \$494,502 in sales of accessories during the third quarter of the prior year. Gross margin held steady at 30 percent during the third quarter of 2014 compared to 30 percent in the same quarter of 2013.

President and CEO Terry Sheldon commented on the third quarter results by saying, “We are very pleased to report another profitable quarter for T.J.T., Inc. We look forward to continuing to improve the operational results as we enter the summer and fall quarters.”

Established in 1977, T.J.T., Inc. is a major provider of recycled axles and tires to the manufactured housing industry. It operates recycling facilities in Idaho and California and serves eight western states. In addition to the recycling business, T.J.T. also sells aftermarket products to manufactured housing, recreational vehicle, and residential markets.
