Press Release

T.J.T., Inc. Reports Results for Q3 Fiscal 2015

Emmett, Idaho – July 16, 2015 – T.J.T., Inc. (the Company), OTC Markets: AXLE – T.J.T., Inc., a supplier of axles, tires, and set-up materials to the manufactured housing industry announced a third quarter net profit of \$11,969 (\$0.00 per diluted share) on net sales of \$1,522,014.

Net sales were comparable to sales in the third quarter of the prior year which were \$1,528,135. Net sales of axles and tires were \$1,016,198 which represents an increase of 11 percent from axle and tire sales of \$914,022 during the third quarter of the prior year. Net sales of accessories totaled \$505,816 which represents a decrease of 18 percent from accessory sales of \$613,213 in the same period of the prior year.

TJT CEO Terry Sheldon commented on the third quarter results by saying, “The higher level of sales which the company generated last year is being maintained in the current competitive environment. Our efforts to reduce SG&A expenses over the prior year have produced positive results. Our team of dedicated employees at TJT continues to work diligently to provide the highest quality products and services to our customers. We look forward to reporting results for the fourth quarter.”

Established in 1977, T.J.T., Inc. is a major provider of recycled axles and tires to the manufactured housing industry. It operates recycling facilities in Idaho and California and serves eight western states. In addition to the recycling business, T.J.T. also sells aftermarket products to manufactured housing, recreational vehicle, and residential markets.

This release contains certain forward-looking statements, which are based on management’s current expectations including, but not limited to, general economic conditions, changes in interest rates, deposit flows, real estate values, competition, and changes in legislation or regulations, and other economic, competitive, governmental, regulatory, and technological factors affecting the Company’s operations, pricing, products, and services. Any forward looking statement speaks only as of the date on which the statement is made, and the Company undertakes no obligation to update any forward looking statement.
